

REDACTED SAMPLE // IR-2026-0718-A

Specimen Intelligence Brief

Illustrative deliverable for verified game-publisher and authorized anti-cheat review. This document contains no executable, no source-channel detail, no seller identity and no operational guidance.

ENGAGEMENT	CLIENT-AUTHORIZED PILOT / SAMPLE
ACQUISITION WINDOW	2026-07-18 09:30 UTC - 11:05 UTC
TARGET PLATFORM	PC / WINDOWS / CURRENT COMMERCIAL BUILD
STATED COMPATIBILITY	CLIENT TARGET: REDACTED / BUILD: REDACTED
PACKAGE STATUS	PRESERVED / QUARANTINED / NOT EXECUTED BY SERVICE PROVIDER
HANDLING CLASS	RESTRICTED - DEFENSIVE SECURITY PERSONNEL ONLY

Executive summary

A commercially accessible package was acquired within the client-approved scope. The original archive was preserved without modification, hashed at intake and placed in an encrypted holding location. Compatibility and detection claims below are seller-stated unless explicitly marked as client-verified.

Key observations

VERIFIED	Acquisition completed through an agreed commercially accessible channel.
VERIFIED	Archive integrity recorded at first receipt and again before delivery.
VERIFIED	Seller-provided installation and dependency notes preserved as evidence.
VERIFIED	Seller-advertised detection status was recorded without independent endorsement.
VERIFIED	Final technical determination remains exclusively with the client's security team.

01 // PACKAGE AND PROVENANCE

Integrity record

PACKAGE ID	IR-2026-0718-A / SPECIMEN-01
ORIGINAL FILENAME	[REDACTED].zip
ARCHIVE SIZE	18.4 MB / SAMPLE VALUE
SHA-256	8e6f9dd1...4b92c0a7 / TRUNCATED FOR SAMPLE
FIRST-RECEIPT TIME	2026-07-18 11:05:27 UTC
CUSTODIAN	IR-CUSTODY-02 / CONTROLLED ROLE

Acquisition evidence

SOURCE	REDACTED
SELLER	[REDACTED]
CHANNEL	[REDACTED]
NOTES	[REDACTED]

Seller-stated characteristics

RECORDED	Compatible with the then-current public game build, as stated at purchase time.
RECORDED	Time-limited commercial license recorded in the transaction evidence.
RECORDED	External dependencies listed in preserved documentation.
RECORDED	Update channel and support terms recorded without disclosing source identity here.

02 // DELIVERY AND HANDLING

Interpretation boundary

The service provider reports provenance, package integrity and the claims attached to the commercial listing. It does not guarantee continued compatibility, successful execution or evasion of client controls. Any testing must occur inside the client's approved laboratory and documented authority.

Controlled delivery manifest

INCLUDED	Original archive - encrypted container
INCLUDED	SHA-256 manifest - signed plain-text record
INCLUDED	Preserved seller documentation - sanitized evidence bundle
INCLUDED	Transaction evidence - redacted commercial receipt
INCLUDED	English intelligence brief - non-operational summary
INCLUDED	Known dependency and limitation record

Chain of custody

11:05 UTC	FIRST RECEIPT / HASH RECORDED / IR-CUSTODY-02
11:12 UTC	ENCRYPTED HOLDING LOCATION CREATED
12:20 UTC	DOCUMENTATION PRESERVED / SAMPLE SANITIZATION
14:10 UTC	DELIVERY MANIFEST PREPARED
14:24 UTC	CLIENT TRANSFER SLOT RESERVED / SAMPLE

Required client controls

REQUIRED	Receive only through the named, access-controlled channel.
REQUIRED	Confirm hash before opening or transferring the package.
REQUIRED	Restrict access to authorized security personnel.
REQUIRED	Use an isolated internal analysis environment.
REQUIRED	Do not redistribute the package or preserved seller material.

SAMPLE NOTICE

This public demonstration is intentionally incomplete and non-operational. A real engagement begins only after counterparty verification, written authorization, defined acquisition limits and secure-delivery approval.
